CHAMPAGNE

VINTAGE 2008

Each Vintage champagne creation is unique. The crystalline and chiseled Vintage 2008 offers an outstanding interpretation of the traditional balance between subtly-ripened Chardonnays and Pinot Noirs, from 20 crus. Unique in character, this wine is refined by extended aging.

PRECISE

Losing none of its character with the passing years, it leads you on a subtle sensory journey. Delicate and exotic notes recreate the warmth of the sun's playful rays, interwoven with the caress of a sea breeze which dances along a faraway beach. As succulent peach and greengage, entwined with floral notes of cherry and hawthorn blossom, create a sensation of lightness, elegance and freedom.

ELEGANT

This is a free-spirited wine. The glistening, billowing folds of its golden cloak transport us through space and time, both of which seem to be extended by this wine's complexity.

FREE-SPIRITED

A velvety softness - as if brushing against a rose petal - envelops the mouth. Then a delicately sensual and ripe freshness sweeps across your palate, demonstrating this champagne's liberated character.

And to complete this idyllic sensation comes a saltiness accentuated by notes of peppery spices and plums.
